

SUBMITTAL SCHEDULE
for
PROJECTS to SBAC for A/E NOMINATIONS

General Policy:

In order to meet the various scheduled dates for the SBAC meetings and the publishing schedule of the Kansas Register, and to allow time for transmittal of proposals to the SBAC members and for the members to review the proposals, the following monthly schedule is provided to facilitate the request for advertisement, the advertisement in the Kansas Register, the submittal by the A/E, the submittal and review by the SBAC, and the formal nominations by the SBAC.

Date advertisement due to the Secretary of State office: **First Wednesday of the month** (noon) prior to the next month's scheduled SBAC meeting. (On those months that the advertisement can be delayed 1 week and allow sufficient time for submittal to SBAC and their review, the Advertisement date has been adjusted by 1 week.)

Date advertisement appears in the Kansas Register: Thursday, eight days after the advertisement due date.

Date proposals due to DFM: Friday (noon), 15 days after the date advertisement appears in the Kansas Register. (Allows minimum of 10 days to forward to SBAC for their review prior to the meeting.)

SBAC meetings: Second Wednesday of each month. **Except January 2011**
